SAN MIGUEL SCHOOL
SAN DIEGO, CALIFORNIA

Growing Growing Growing

There is an old cliché that says, in effect, "Anything worth doing is worth doing well." As tired as this may seem, it can be directly applied to San Miguel.

A school is nothing more than the students and faculty that make up its academic life. It can never hope to rise higher than its faculty and student body wish it to. Hence, the quality of its academic life will be determined by those who participate in it.

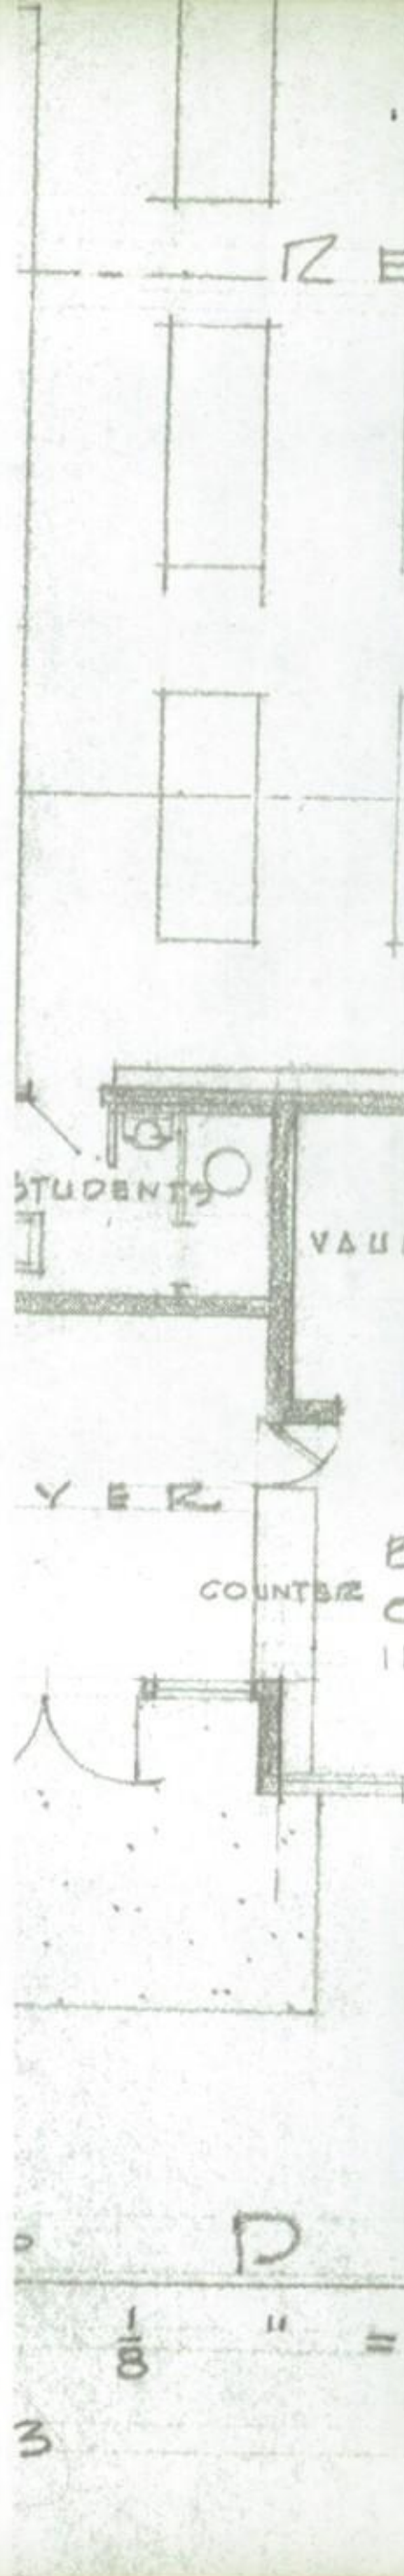

This being so, one can assume that if San Miguel is to become a great school, then its staff and student body must carry it to this height. And the formula for this is simple: Work.

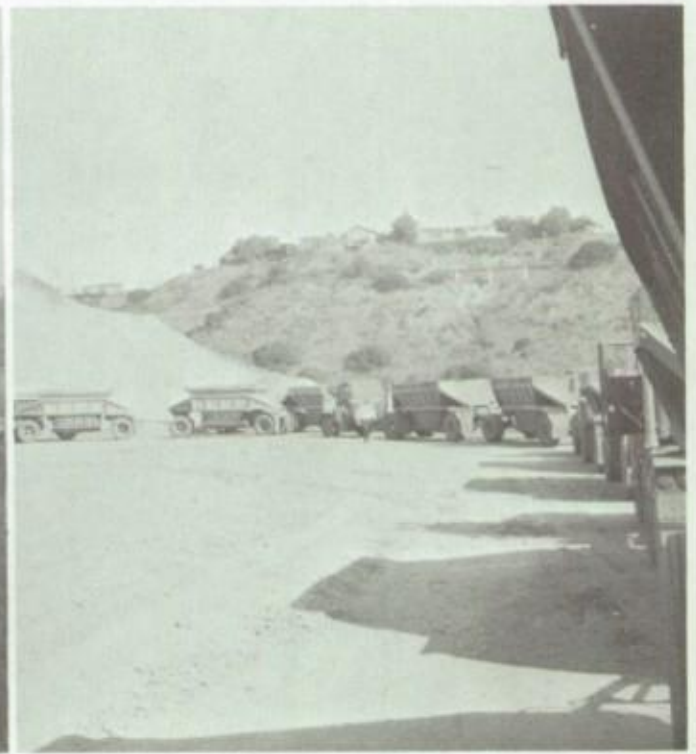

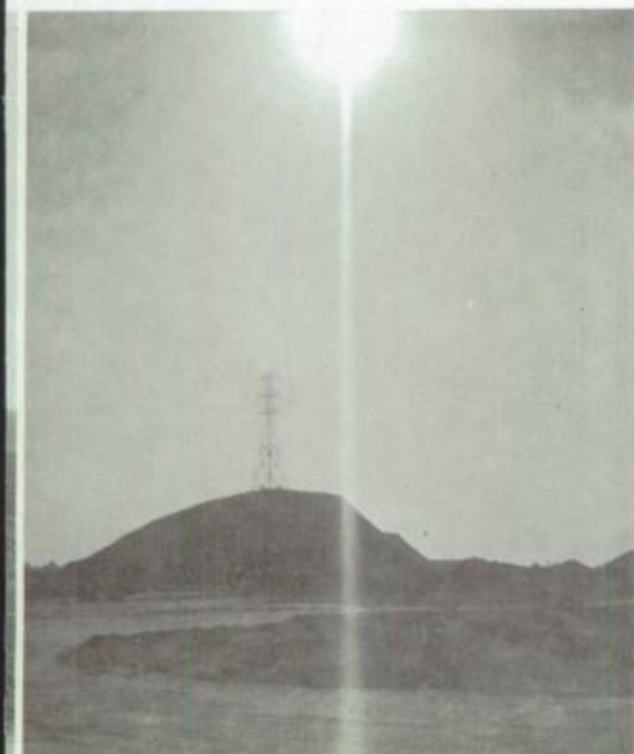

Hard work creates academic excellence; excellence gives rise to pride; and pride, the unwillingness to accept less than the best, gives rise to greatness.

For all of us, faculty and student body alike, the future of San Miguel is in our hands. We can allow it to stand still, or we can make it progress.

It's up to us.

—Ronald J. Vierling

In Appreciation

The Class of 1967 has unanimously voted to dedicate our yearbook to a man who has given incessantly of his time, talent, and patience since 1961. His casual manner and ever present smile as well as his great ability has made him a true friend to us all. It is in this capacity that we fondly dedicate our 1967 SWORD AND SHIELD to

To The Graduating Class Of 1967:

On behalf of the Diocese of Los Angeles, I wish to express to the graduating class of San Miguel our heartiest congratulations and best wishes. As you leave San Miguel, I know that you will carry with you many happy memories of the School, and I hope that the friendships which you have formed will continue to ripen as the years increase. Our prayers and good wishes go with you and may God richly bless you in all the years to come.

Faithfully yours,

Francis Eric Bloy

Board of Trustees

B. R. Hazard
Chairman

To you men who are graduating from San Miguel, the Board of Trustees join me in our heartiest congratulations and our thanks to you for helping us to make San Miguel School one from which you are proud to have been graduated, and one which we are proud to be associated with.

I believe that the program of studies and sports of San Miguel have prepared you to be better men and better conditioned to face challenges you will encounter in college and in the world after college. You do not have any greater challenges than were faced by your fathers in this same period of their lives.

We hope that you have learned to have faith in our God, our country and our American way of life, because without faith all is lost.

We are depending on you and the students following you to carry on our traditions, and our faith in you gentlemen is not misplaced.

Sincerely,

A large, stylized handwritten signature in dark ink, appearing to read "B. R. Hazard".

HEADMASTER
The Rev. Charles A. Parmiter, Jr.

"Render unto Caesar the things that are Caesar's and unto God the things that are God's".

As you graduate from San Miguel School, you are going out into a confused world, a world in which you must make choices. The thing you should remember is that the choice you make is really the choice of life itself.

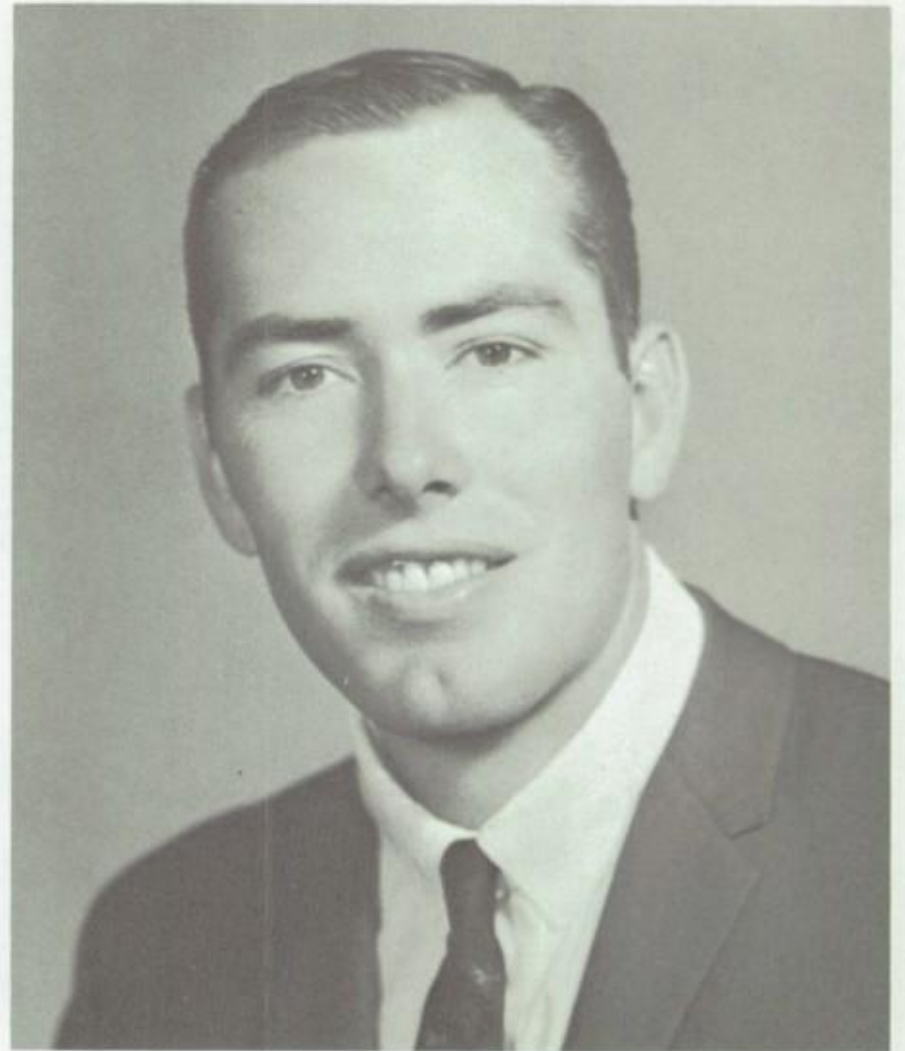

We all must live in the world and it is a world in which material things are important. However, it is also a world in which the future belongs to those who make choices that are based upon spiritual values, because, before anything else, it is God's world.

The things of this world will try to command your ultimate loyalty. You will be tempted to give yourselves to the search for power and wealth. You will be told that the acquisition of these things will make you free. Do not believe it.

Freedom is to find what is dear and true, to give our loyalty to that, and to turn our backs on other things as not deserving our loyalty. Freedom is the service of God. Only as we serve Him do we redeem power and wealth so that they become beneficial for man.

The world needs leaders who will not sell their birthright, who will not sacrifice great aims and causes, who will render to Caesar and to God the things that belong to each. It is our hope and prayer that you will be such men.

The Rev. Charles A. Parmiter, Jr.

Administrative Ass't.

MR. JOE TREASTER

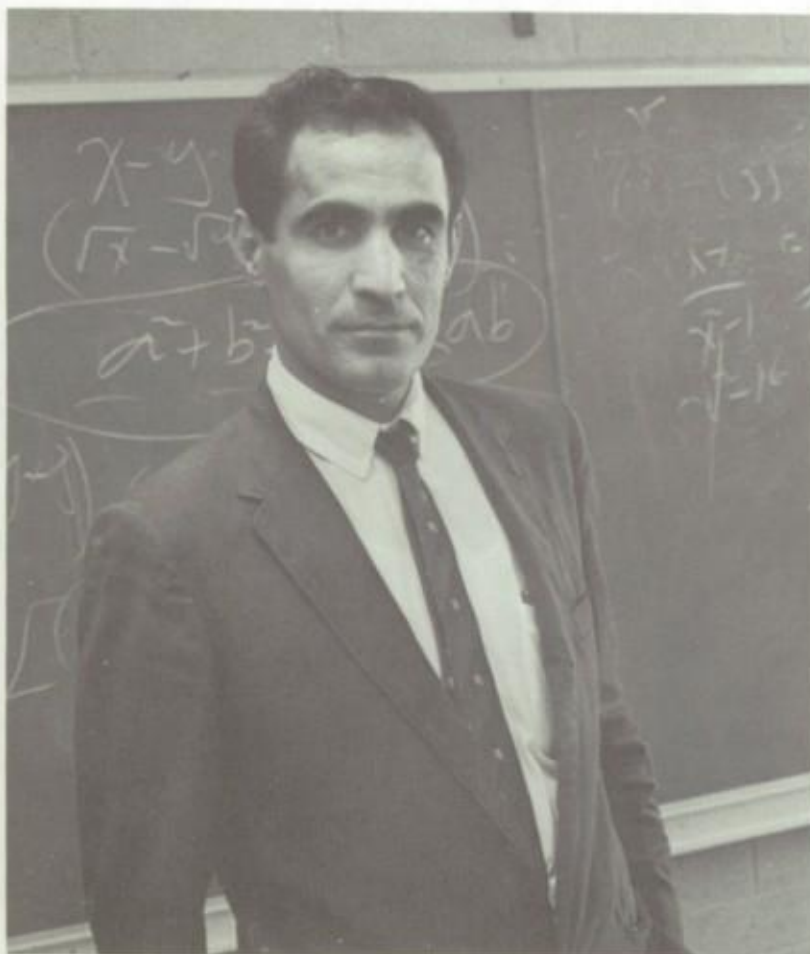

My heartiest congratulations and best wishes to the graduating class of 1967. I wish you much success as you go into higher fields of study, and I hope you will not forget San Miguel, where you received your preparatory education.

Your graduation from San Miguel School not only marks an ending, but also a beginning. You have now completed only one facet of your life and

must now enter into another. You will go into the second part of your education, which, in a sense, will continue throughout your life. I have faith that you will strive to achieve an even higher goal, as you enter this next step into your future.

May you always be proud of your Alma Mater and, by your actions, bring further credit upon it.

The council, this year, performed up to its usual high standard of excellence by adding to the spirit of do-nothingness that prevailed throughout the year in the upper school. This was by no means their fault. Given their usual great powers by the Administration, they made do with what they had. To their fighting spirit, their attitude of never-say-die, this page is most humbly dedicated in hopes that next year something may happen.

HOMECOMING

Homecoming '66 was a great success. The festivities commenced formally on Saturday, November 12, at 12:00 when the San Miguel Junior Varsity Football Team battled to a 13-12 loss against our cross-town rivals, La Jolla Country Day. The varsity team fought to a 13-13 tie two hours later, and, due to a win the previous week, was hailed Southern League Champions

for the third consecutive year.

That night, the cafeteria was the scene where the victorious knights danced to the music of the "Pagans" from 8:00 to midnight and then took off for destinations unknown and unprintable to round out a full day and an important tradition.

"Good evening to you, ladies and gentlemen. Welcome to our Homecoming Dance. And now . . ."

I hold you a whole arm's length away . . . and wish it might be twenty more . . . you insist on wearing those awful heels . . . which quickly punch a hole through steel.

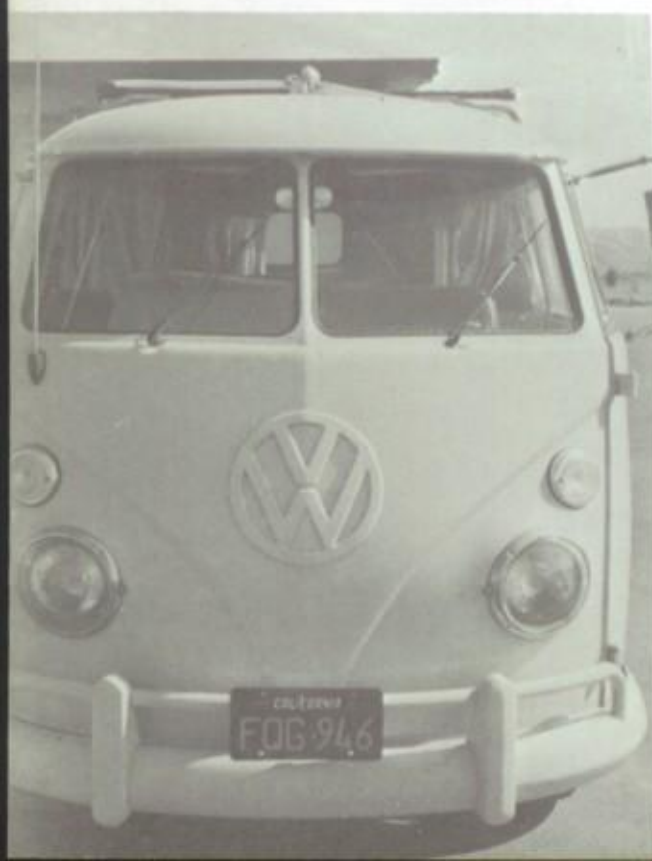

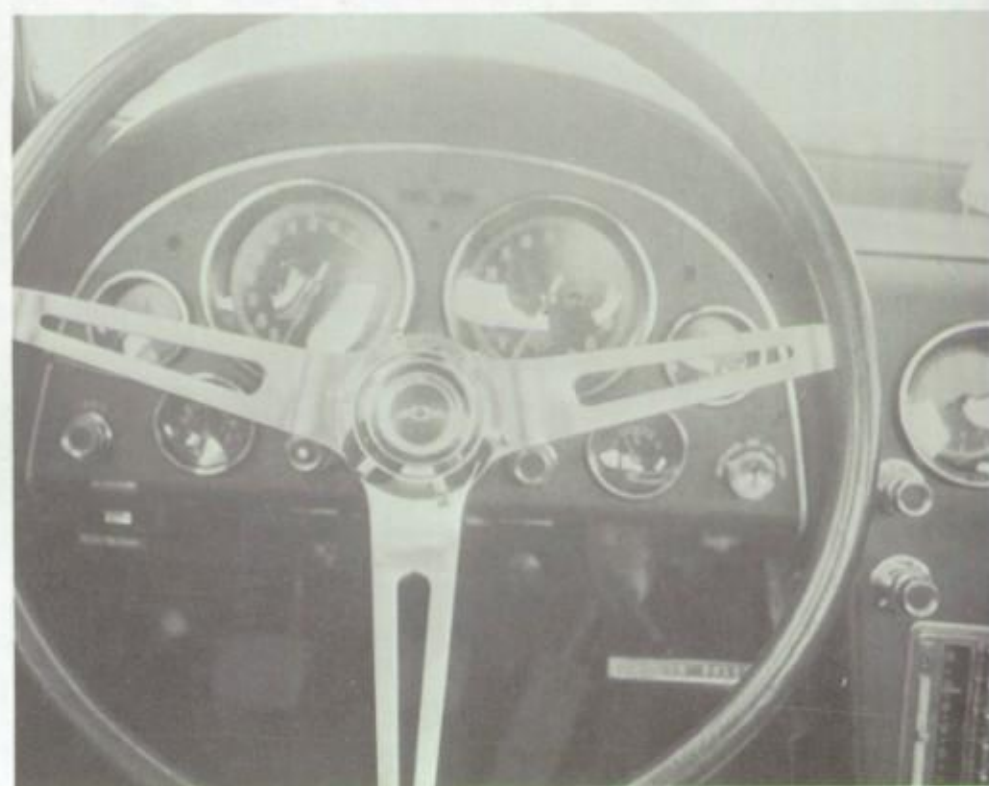

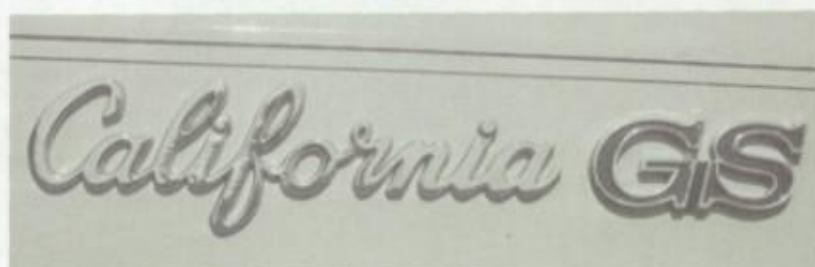

. . . But then I look within your eyes . . . and resolve myself to bitter fate . . . finding around me a blissful haze . . . and you and I perhaps will see . . . the wonders of eternity . . . despite your gawky feet which step on me . . .

The 1966 San Miguel football team finished the season with a record of 4-3-1, and its third straight Southern League title.

In pre-league play the Knights lost heartbreaking games to Army-Navy Academy and Elsinore. Our Knights finished the pre-season games with a record of 1-3.

We opened league play against San Diego Military Academy, and soundly defeated them 41-13. La Jolla Country Day was next on the list, and they also fell, 19-7.

The Knights returned to play San Diego Military Academy. We promptly ran up the county's

highest score this season with a win of 79-19.

San Miguel then hosted La Jolla Country Day for the League Championship. A win or a tie for the Knights would give us the league title, while a loss would throw us in a two-way tie with La Jolla.

In one of the most exciting games the Southern League has ever seen, the Knights won the League Crown as the game ended in a 13-13 tie.

Special tribute should be given to Coach Clark and Coach O'Brien who molded our Knights into a championship team.

Coach Lutes. **Third Row:** Rutherford, Corey, Beach, Marquardt, Licht, Rust, Fry, Harrow, Gulmon.

This was the second year that San Miguel fielded a Junior Varsity, and our Knights played admirably. The JV had a 2-4 record overall and claimed one-third of a tie for Southern League Champions.

Special recognition should be given to our two captains, Richard Corey and Carter Stout; to Walter Boost, who shows great potential for next year; and to Bruce Williams, Peter Manno, and Dan Harrow for their fine work in the defensive backfield.

Here is one of the rare pictures of the Junior Varsity in action against La Jolla Remedial Trade.

Varsity Basketball

Front Row: Klauber, Storey, Rutherford, Newburn, Laws. **Second Row:** Coach Treaster, Holliday, Sage, Steelquist, Oatman, and Mgr. Zemblidge.

More than anything that can be said of this year's edition of the basketball team, it can be stated that they were a team consistent in their inconsistencies. Throughout the fifteen games they played the Knights showed drive and determination, but were rewarded with frustration after frustration, by losing a few games by a minimum of points.

With five returnees, plus excellent JV prospects, next year's team should abound in ability, experience, and bench strength. The combination of these three qualities adds up to a championship, something which basketball fans at San Miguel should see in the very near future.

"Okay, boys, my pants are fixed now."

Oatman jumps for the ball.

JUNIOR VARSITY BASKETBALL

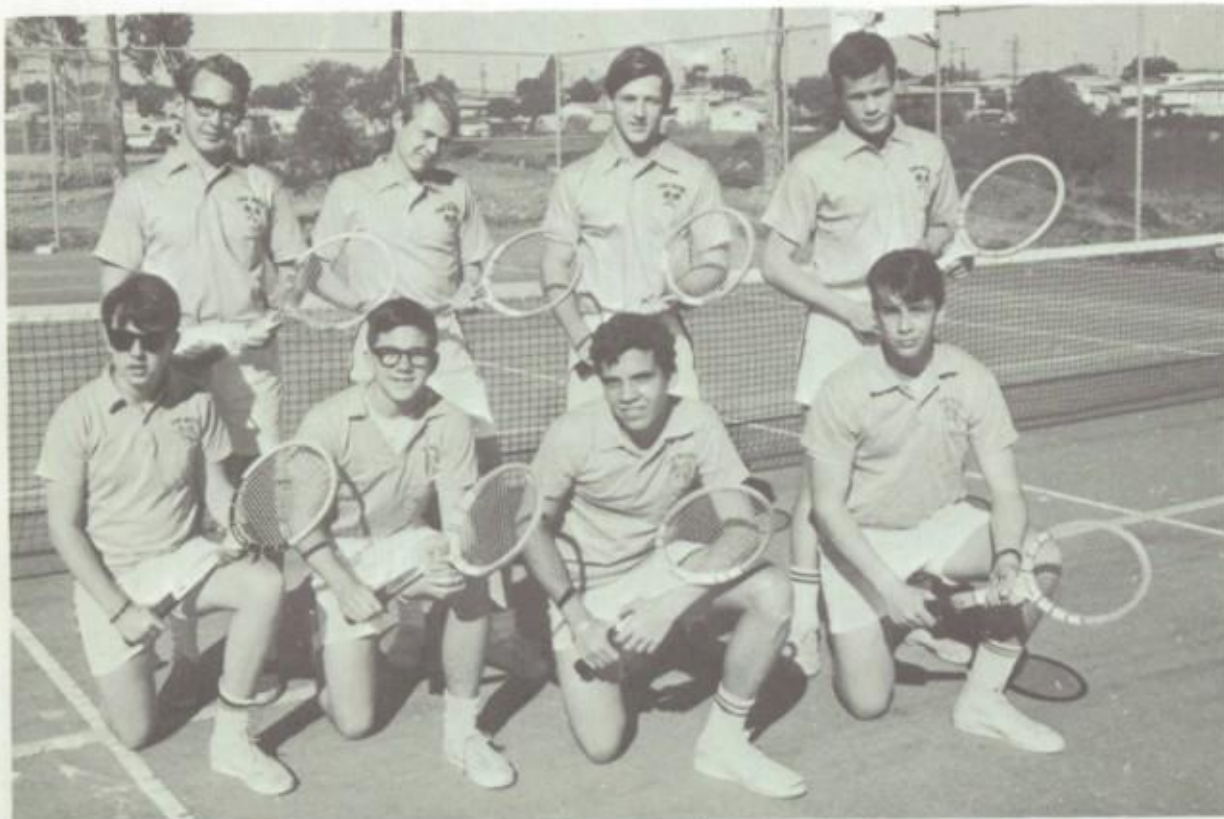

Front Row: Loomis, Walton, Ammon, Loeffler, Barnard.
Second Row: Fry, Poyas, Boost, Beach, Bennett, Coach Lutes.

The Junior Varsity Basketball team finished the season winning two out of sixteen games. One might not imagine this to be too good, but all things considered, they did quite well. In the future, with a little more experience, may the JV's be a winning team, like the rest of San Miguel's teams.

And they are off.

"It can't be that the JV's are going to make a basket? You're right, it's not."

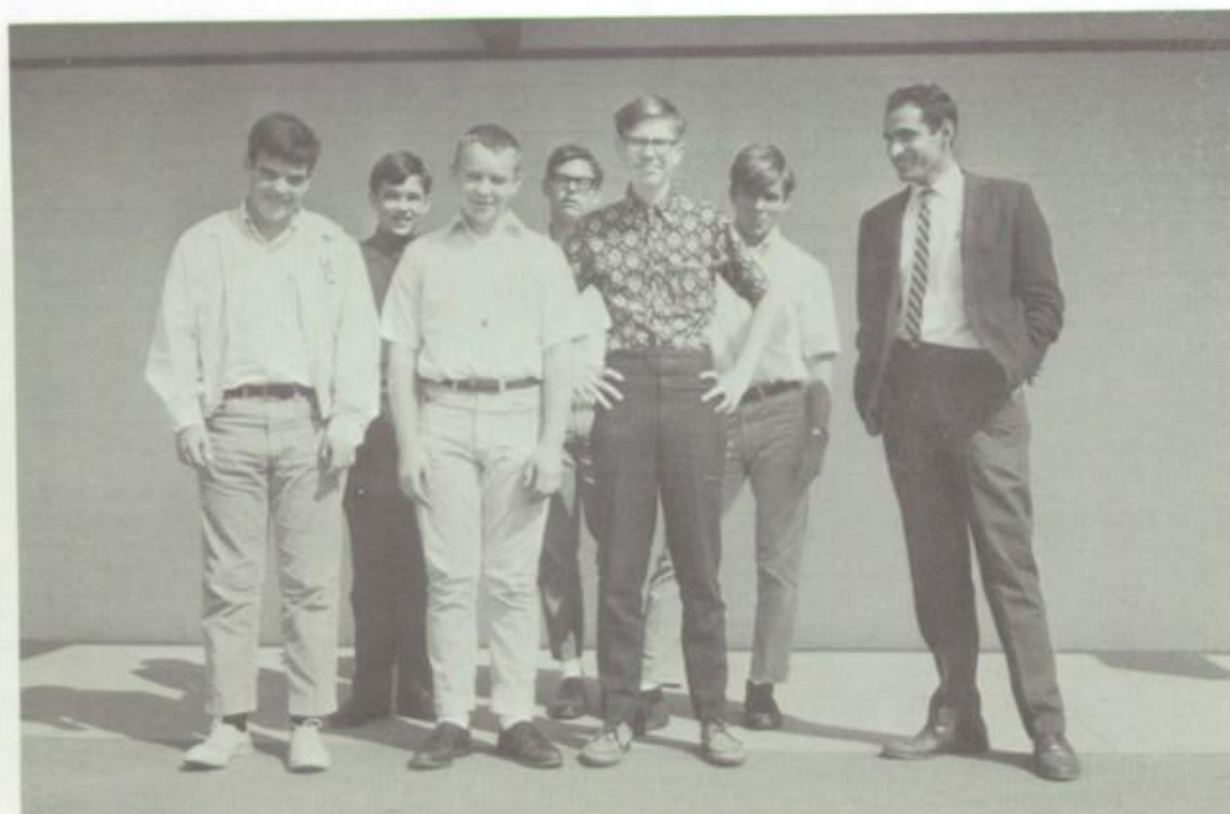

Kneeling: Price, Wilson, Zuanich, Gaillard. **Standing:** Beach, Lyman, Scroggie, Fry.

TENNIS

Under the excellent guidance of Coach Treaster, the hopes of the tennis team are high. The main stays of the team are the returning members, Chandler Beach, Pete Scroggie, and Dan Harrow.

GOLF

Sommers, Walton, Flieschaker, Thatcher, Jones, Hartman, and Coach Abayachi.

The golf team is looking forward to a good season with the return of the world renowned Bill Thatcher, and some up and coming other talent. We are hoping that they will not trip over too many camels in the sand traps.

CROSS- COUNTRY

Although there were a few close meets, our Boys lacked the depth to win. It was a rough season for the team, and we are looking forward to an experienced team and a good season next year.

Wilcockson, Durbin, Burnier, Wolterstorff, Medlin, Griffin. **Back Row:** Farmar, Crosley, Hall, Lodge, Coach Sutherland.

TRACK

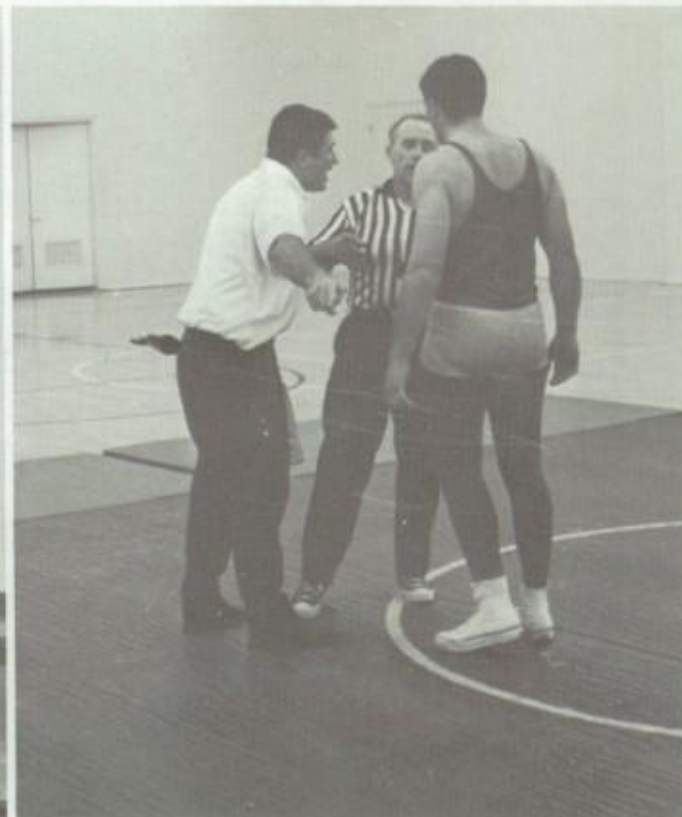

Kneeling: Brookes, Farmar, Oliphant, Brown, Rivers, Herring, Laws. **Standing:** Farmar, Grider, Holliday, Lehr, Lodge, Johnson, Crosley, McClure, Price, Firestone, Gulman, and Coach Clark.

With such pacers as Lodge, Farmar, T. Holliday, and Crosley, the track team is preparing to enter the season, and hopefully win its first league victory.

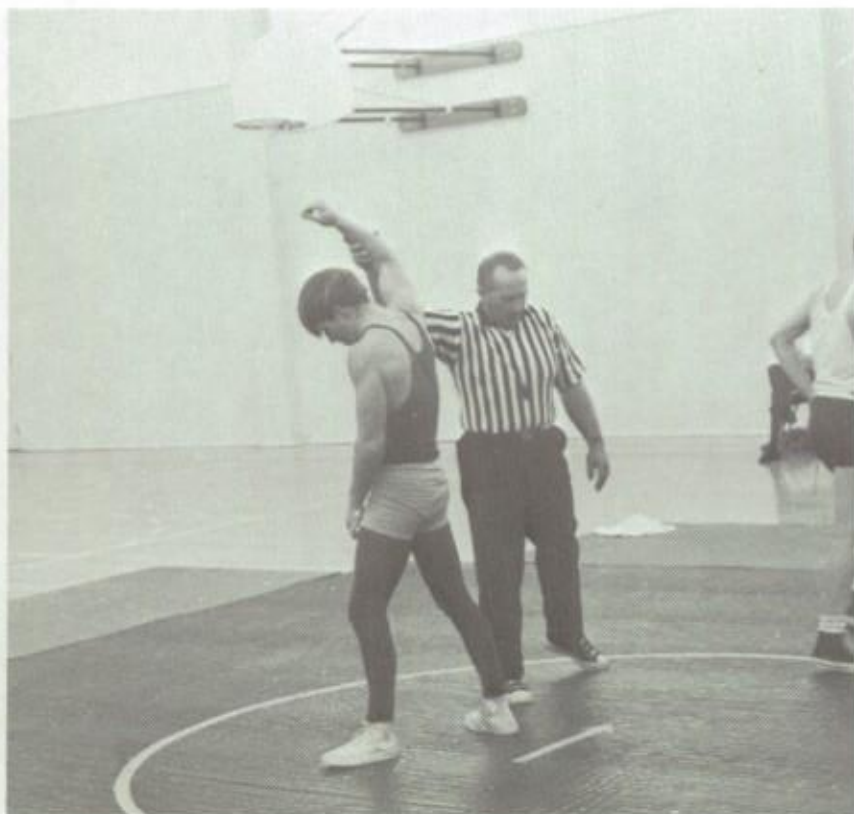

Row One: Bill Snook, Mike Wilson, John Burnier, Tom Frost, Louis Shanks, Ramon Eastham. **Row Two:** Steve Aston, Bill Holliday, John Holmertz, Carter Stout, Rupert Fellows, Jerry Brown. **Row Three:** Coach O'Brien, Gregg Willcockson, Jim Compton, Gary Medina, Bill Licht.

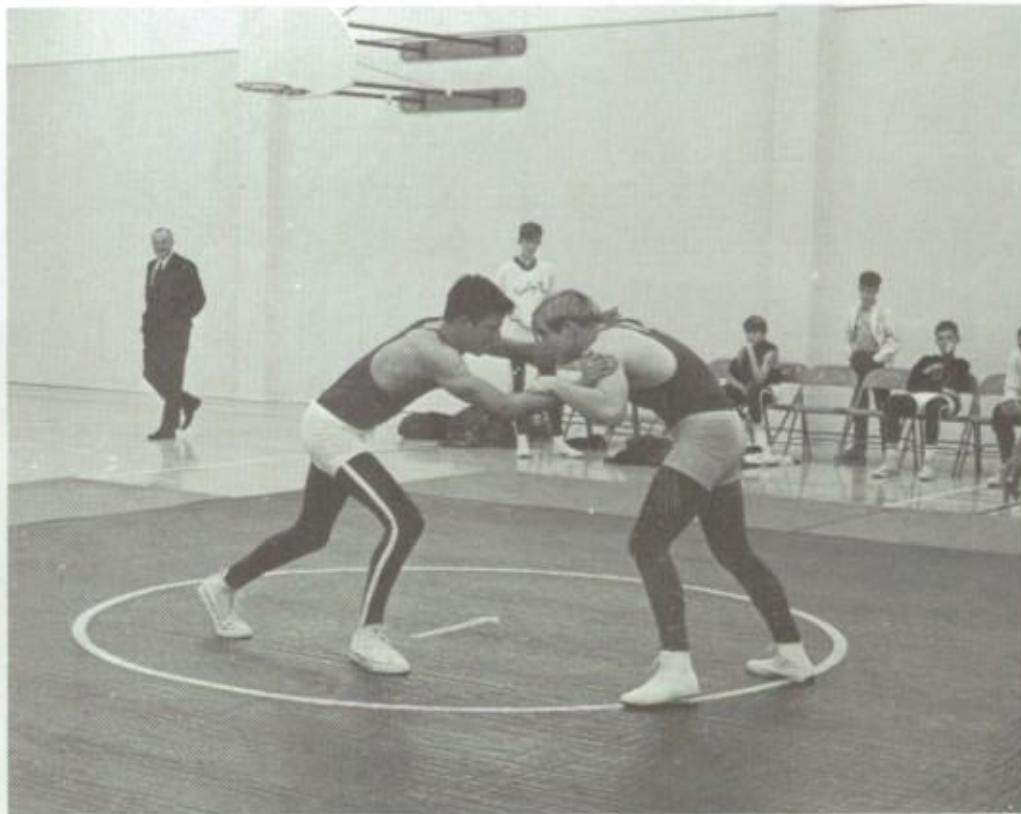

"Come on, Gary, we'll get them later!"

Considering the lack of experience, and with only three returning lettermen, our wrestling team had a good season. Bill Holliday, voted "Most Valuable Player", went undefeated throughout the season. Peter Scroggie, team captain, succumbed only once. Prospects look good for next season in Tom Frost and John Burnier.

Typical San Miguel Winner

SWIMMING

This year's swimming team is looking forward to a victorious season. Although small in numbers, the team has good quality. At the time of publication the team was 2 and 0 with defeats of Kearny and S.D.M.A.

Moffat, Coach Price, Connolly, Shipek, Stringfellow, Carey, and Harrison. **Not Shown:** Ives, Spence, Willcockson.

SOCCER

First Row: Crosley, Lyman, Spence, Firestone, Zuanich, Murray, Durbin, Peterson, Wellman. **Second Row:** Price, Baird, Thatcher, Cunningham, Manno, Hiser, Brazell, Stringfellow, Johnson, Coach Clark.

San Miguel is very proud of its first Soccer team. We did not have a winning season, but put forth a great effort. Coach Clark is confident of even a greater effort next year.

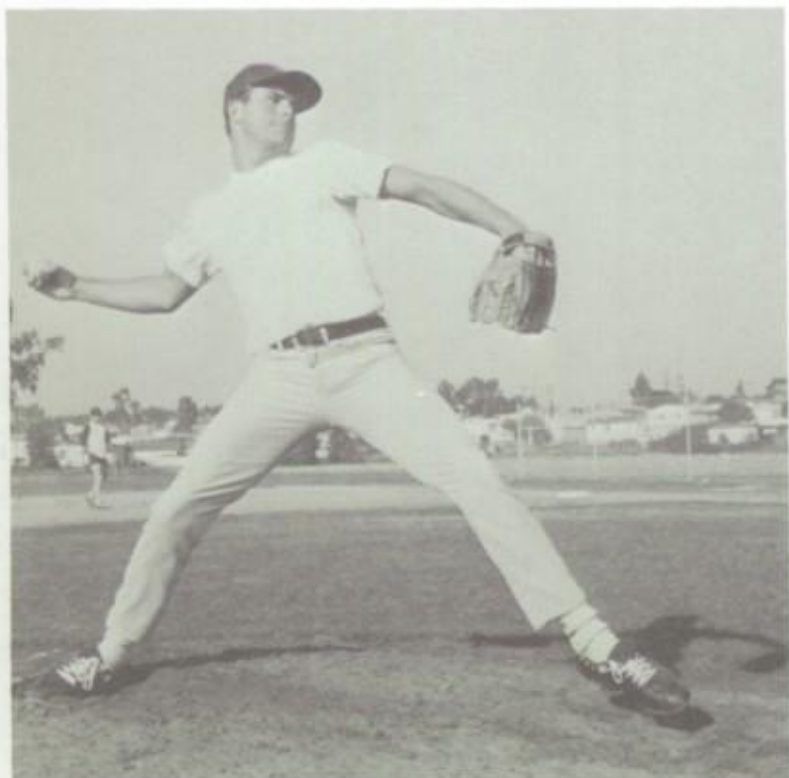

VARSITY BASEBALL

First Row: D. Corey, R. Brown, B. Farrar, D. Rutherford, D. Fagget, Richard Rust, R. Stevenson—Mgr. **Second Row:** Coach O'Brien, T. Holliday, John Macomber, Jeff Macomber, M. Marquardt, Dan Burnham, R. Berney, S. Zembridge—Mgr.

The 1967 Baseball team is sure to end the season like previous teams—"League Champs". With pitching aces as Dan Burnham, Dave Rutherford, and John Macomber, the opposition will get scarcely a hit. But IF they do, it surely will not get past our superb group of infielders: Tom Holliday at first, Bob Farrar at Second, Jeff Macomber at Short, and Richard Rust at Third. Sorry Rick! But IF it does, it can't get by the greatest group of outfielders in the city: Don Fagget, Dave Corey, Ray Berney and Mike Marquardt. But IF it does? Coach that's not fair!

"Nobody hits my pitching."

Another day at Baseball practice

JV BASEBALL

First Row: Ammon, Newburn, Clark, Gronnebeck, Peterson, Loomis. **Second Row:** Poyas, Murray, Kleinsorge, Hiser, Rust, J. **Third Row:** Coach Lutes, Bennett, Beach, Cunningham, Storey.

This is the first year there has been a Junior Varsity Baseball Team and hopes are high. With the Varsity team losing many players next year, the JV's will have to fill their ranks. They will, therefore, have to work very hard to fill those spots left vacant.

JV Pitchers throw hard!

"Sugar Bear" plays baseball.

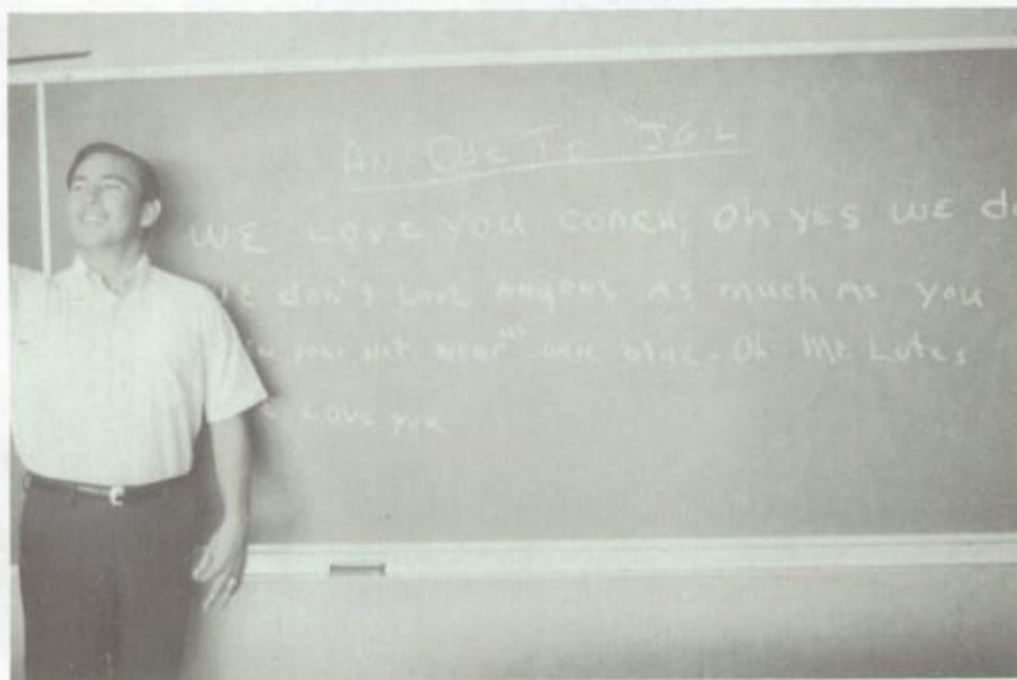

"45, you say?"

"Here T. K., pick up a carton of Marlboro's."

Sing along with Joe

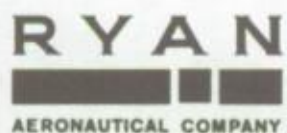

"... Now we'll find out how fat his head really is!"

"No! ... Yes!"
